### EXAMINER'S AMENDMENT

Claims 1-10, 12, and 13 are directed to an allowable product. Pursuant to the procedures set forth in MPEP § 821.04(b), claims 14-16, directed to the process of making or using the allowable product, previously withdrawn from consideration as a result of a restriction requirement, are hereby rejoined and fully examined for patentability under 37 CFR 1.104. Claims 17 and 18 are directed to the invention(s) that do not require all the limitations of an allowable product claim, and are NOT been rejoined.

Because a claimed invention previously withdrawn from consideration under 37 CFR 1.142 has been rejoined, **the restriction requirement of groups I and II as set forth in the Office action mailed on 2 February 2006 is hereby withdrawn.** In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claims including all the limitations of an allowable product claim or rejoined process claim are presented in a continuation or divisional application, such claims may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Claims 14-16 have been examined and are allowed.

This application is in condition for allowance except for the presence of claims 17 and 18 directed to inventions non-elected without traverse. Accordingly, claims 17 and 18 have been cancelled. See MPEP 821.02.

The following is an examiner's statement of reasons for allowance: the art of record does not disclose or suggest the toner as now claimed where the binder resin contains a linear

polymer with the specified softening point while at the same time obtaining the requisite viscosity and loss tangent values.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
